#### § 3550.104 Applications.

(a) *Application submissions.* All persons applying for section 504 loans or grants must file a complete written application in a format specified by RHS. Applications will be accepted even when funds are not available.

(b) *Application processing.* (1) Incomplete applications will be returned to the applicant specifying in writing the additional information that is needed to make the application complete.

(2) An applicant may voluntarily withdraw an application at any time.

(3) RHS may periodically request in writing that applicants reconfirm their interest in obtaining a loan or grant. RHS may withdraw the application of any applicant who does not respond within the specified timeframe.

(4) Applicants who are eligible will be notified in writing. If additional information becomes available that indicates that the original eligibility determination may have been in error or that circumstances have changed, RHS may reconsider the application and the applicant may be required to submit additional information.

(5) Applicants who are ineligible will be notified in writing and provided with the specific reasons for the rejection.

(c) *Processing priorities.* When funding is not sufficient to serve all eligible applicants, applications for assistance to remove health and safety hazards will receive priority for funding. In the case of applications with equivalent priority status that are received on the same day, preference will be extended to applicants qualifying for a veterans preference. After selection for processing, requests for assistance are funded on a first-come, first-served basis.

#### § 3550.105 Site requirements.

(a) *Rural areas.* Loans may be made only in rural areas designated by RHS. If an area designation is changed to nonrural an existing RHS borrower may receive 504 assistance.

#### 7 CFR Ch. XXXV (1–1–08 Edition)

(b) *Not subdividable.* The site must not be large enough to subdivide into more than one site under existing local zoning ordinances.

#### § 3550.106 Dwelling requirements.

(a) *Modest dwelling.* The property must be one that is considered modest for the area, must not be designed for income producing purposes, have an in-ground pool, or have a market value in excess of the applicable maximum loan limit, in accordance with § 3550.63.

(b) *Post-repair condition.* Dwellings repaired with section 504 funds need not be brought to the agency development standards or thermal performance standards of 7 CFR part 1924, subpart A, nor must all existing hazards be removed. However, the dwelling may not continue to have major health or safety hazards.

(c) *Construction standards.* All work must be completed in accordance with local construction codes and standards. When potentially hazardous equipment or materials are being installed, all materials and installations must be in accordance with the applicable standards in 7 CFR part 1924, subpart A.

#### § 3550.107 Ownership requirements.

The applicant must have an acceptable ownership interest in the property as evidenced by one of the following:

(a) *Full fee ownership.* Acceptable full fee ownership is evidenced by a fully marketable title with a deed vesting a fee interest in the property to the applicant.

(b) *Secure leasehold interest.* A written lease is required. For loans, the unexpired portion of the lease must not be less than 2 years beyond the term of the promissory note. For grants, the remaining lease period must be at least 5 years. A leasehold for mutual help housing financed by U.S. Department of Housing and Urban Development (HUD) on Indian lands requires no minimum lease period and constitutes acceptable ownership.

(c) *Life estate interest.* To be acceptable, a life estate interest must provide the applicant with rights of present possession, control, and beneficial use of the property. For secured loans, generally persons with any remainder interests must be signatories to the mortgage. All of the remainder interests need not be included in the mortgage to the extent that one or more of the persons holding remainder interests are not legally competent (and there is no representative who can legally consent to the mortgage), cannot be located, or if the remainder interests are divided among such a large number of people that it is not practical to obtain the signatures of all of the remainder interests. In such cases, the loan may not exceed the value of the property interests owned by the persons executing the mortgage.

(d) *Undivided interest.* An undivided interest is acceptable if there is no reason to believe that the applicant's position as an owner-occupant will be jeopardized as a result of the improvements to be made, and:

(1) In the case of unsecured loans or grants, if any co-owners living or planning to live in the dwelling sign the repayment agreement.

(2) In the case of a secured loan, when one or more of the co-owners are not legally competent (and there is no representative who can legally consent to the mortgage), cannot be located, or the ownership interests are divided among so large a number of co-owners that it is not practical for all of their interests to be mortgaged, their interests not exceeding 50 percent may be excluded from the security requirements. In such cases, the loan may not exceed the value of the property interests owned by the persons executing the mortgage.

(e) *Possessory rights.* Acceptable forms of ownership include possessory right on an American Indian reservation or State-owned land and the interest of an American Indian in land held severalty under trust patents or deeds containing restrictions against alienation, provided that land in trust or restricted status will remain in trust or restricted status.

(f) *Land purchase contract.* A land purchase contract is acceptable if the ap-

plicant is current on all payments, and there is a reasonable likelihood that the applicant will be able to continue meeting the financial obligations of the contract.

(g) *Alternative evidence of ownership.* If evidence, as described in paragraphs (a) through (e) of this section, is not available, RHS may accept any of the following as evidence of ownership:

(1) Records of the local taxing authority that show the applicant as owner and that demonstrate that real estate taxes for the property are paid by the applicant.

(2) Affidavits by others in the community stating that the applicant has occupied the property as the apparent owner for a period of not less than 10 years, and is generally believed to be the owner.

(3) Any instrument, whether or not recorded, which is commonly accepted as evidence of ownership.

#### **§ 3550.108 Security requirements (loans only).**

When the total section 504 indebtedness is \$7,500 or more, the property will be secured by a mortgage on the property, leasehold interest, or land purchase contract.

(a) RHS does not require a first lien position, but the total of all debts on the secured property may not exceed the value of the security, except by the amount of any required contributions to an escrow account for taxes and insurance and any required appraisal fee.

(b) Title clearance and the use of legal services generally must be conducted in accordance with 7 CFR part 1927, subpart B. These requirements need not be followed for:

(1) Loans where the total RHS indebtedness is less than \$7,500; or

(2) Subsequent loans made for minimal essential repairs necessary to protect the Government's interest.

[61 FR 59779, Nov. 22, 1996, as amended at 67 FR 78331, Dec. 24, 2002]

#### **§ 3550.109 Escrow account (loans only).**

RHS may require that borrowers deposit into an escrow account amounts necessary to ensure that the account will contain sufficient funds to pay real estate taxes, hazard and flood insurance premiums, and other related costs
